eating was what they would expect from an ihop. solid friendly service with a proper social distance from other tables. beautiful clean location. they were a little understated when I left, but I had no problem. [View all feedback.](#)

What **User** doesn't like about Ihop:

eating was great, not complaining. but the service has really messed up our experience. the waitress zooming everywhere. there was no introduction and she told us that she would bring us coffee and went...we didn't want a coffee! she gave us no chance to order. then she comes back and when we tell her she said well, I was wasting a whole lot of coffee. we felt hurried when we had eaten our food, but we stayed here...
