our party of each ordered the hamburger (whataburger mahlzeiten) and pommies. very large and tasty. also the staff behind the counter was pleasant and efficient. the restaurant was clean and easy to reach from the autobahn. [View all feedback](#). What [User](#) doesn't like about Whataburger:

I have never eaten in a whataburger and it salat has not done it. I know they're known for salads, but the others I said they're okay. I also tried their drinks and the big one looked like an extra big one. their well drinks tasted funny. I let myself be sick with an annoyed. I'd have to make a better experience.
