This place is super cute! The food was amazing, the customer service was great, and the restaurant itself is very clean and well taken care of. The woman taking our order was very sweet and checked up on us repeatedly and got our order correct (it was a bit complicated). I would totally come back here and recommend it to anyone.

10/10 [View all feedback](#). What [June McNaught](#) doesn't like about Cupz N' Crepes:

Their crepes are good, but their service depends on their mood. We went there several times but then got fed up with their bad attitude and quit. Everyone has a rough day once in a way, but consistent bad attitude... no thank you. [View all feedback](#).
