Seriously the best donuts I've ever had ! The vanilla was ? Also I'd like to note that the customer service is excellent. I ordered online and when they didn't have what I ordered they text me and asked what I wanted instead. This makes a world of difference since I'm disabled and can't come in. People treating me like I'm human is awesome. Ten stars. I thought the vanilla might be boring but it's not boring at all!... [View all feedback](#).

What [Charleston C](#) doesn't like about Donut:

The Apple Fritter (Vegan) was burnt and very discolored. The Chocolate Dipped (Vegan) was stale. No one was able to eat either of the two. The other 2 donuts were good. I did not want this to be a public review be I did want to hurt your business but I definitely wanted you to know how we felt about the product. [View all feedback](#).
