Okay. I'll tell you how it was. When I saw it from the outside, it looked like a part of the retail trade. but the smell of it and when I came in. they are transported to an old smoke and had a lot of space. they go back to take their order and that food came out and the mouth began to water. eating was amazing. total experience all I can say is wow. I'll be back in a moment. look at my photos and hope you're here. [View all feedback](#). What [User](#) doesn't like about Old Smokehouse:

Whenever I was in town, I would eat at this restaurant, and was impressed to the point, I would purchase one or two prepared briskets to take home. Knew I needed to make them last until I was back in town. When I moved back home, one of the first things I did was to go and purchase a brisket. Imagine my surprise when I got home to find the brisket was at least 50% fat. I know a little fat is needed, but not like this... [View all feedback](#).
