The restaurant from New York offers **17** different **meals and drinks on [the menu](#)** at an average \$6.5. What [User](#) likes about Soft Swerve Ice Cream: they have ugly rehearsals to try for them! the soft portion is at a harder, creamier consistency that is exactly what I like! my taste preferences of favorites: militant, black sesame, ube. the sum comes to \$5.99, which is quite expensive for ice for me. it is worth trying.
