I believe that since the pandemic this was some of the best services we had. although it was moderately busy, everything quickly came out. our waitress was friendly and responsive, and I wish I had only remembered her names so I could get her out of here! Many thanks for a great experience! View all feedback. What User doesn't like about Red Robin Gourmet Burgers And Brews:

I was her on Friday night with my friend we had the mozzarella sticks they were very hot and good, but we ordered the bbq huhn wrap and pommes they were rough and not hot plus the staff was rudely welcomed not their customers coming from the restaurant. to think that I would work her in the restaurant, I would never work her employees among the employees.
