what a beautiful relaxed antidote that serves amazing eating! a true hidden gem, but highly recommended! the salmon is so delicious and the [pizza](#) was a hit! there is also a full of delicious crying! [View all feedback](#). What [User](#) doesn't like about True Blue Winery:

it is a very nice place to see, but the staff is very unpleasant and unprofessional. would not recommend them, we asked how we go about tasting the wee and we will tell ourselves why not someone ever read the menu. we explained nicely that this was our first time here and we say that we don't ding like them. the employees need to think new how they speak and treat customers.
