What [User](#) doesn't like about Longhorn Steakhouse: a steak and sweet potato for pickup ordered. the steak I ordered was medium. the steak I received was quite rare in the inner (I couldn't eat it if I wanted to be pregnant). the piece is what's left after I tried to eat what I could. I also got a baked potato instead of sweet potato. I could only enjoy the salat and the brot. pretty disappointed. [View all feedback](#).
