What [User](#) likes about Gregorys Coffee: I was here with a job problem with gpay. their address is listed as a court street. the entrance is, however, directly opposite the TD bank at the montague st. anyway, I came in, smelled the good coffee roast and had to have a cup. in addition, they had this rice crispy treating dinge, but made with another chalk for \$4 dollars and I regret that I only brought one lol? I will definitely visit gregory's coffee soon. [View all feedback](#). What [User](#) doesn't like about Gregorys Coffee: her taste really nice, but from some reason when I let the load stand out just outside the coffee is simply cold I had asked before they have a microwave, so it will be warm, but they said they don't have one so I rarely go there if I don't buy the koffie for home and enjoy.
