I ordered an old fashion cream soda not know it contained milk. fortunate they could replace cocosmur. they have 4 vegan soft-sliner options that are all great! this is a good option for vegans in the city. the owner seems to know about which options are suitable for vegans. First time to visit the Broad Street location. Nice spot for ice cream and shakes. There are patio tables on the sidewalk for those who like to sit and people watch. It has a great atmosphere. I would describe it as eclectic. [View all feedback](#).
