I came here with my friend and let me tell you that the food is amazing! We have the 3-way plate with 2 sides and the sweet tea. The parts are correct and we were both satisfied. Everything was delicious and super quality. The staff was super nice and helpful. Also a photo with one of the chefs! 10/10 will come back! [View all feedback](#).

What [Michelle A](#) doesn't like about Kc's Bbq:

It was okay! We tried quite a few items brisket, ribs, links and for sides, Mac n cheese, corn, greens and potato salad. Don't get the potato salad it was gross and runny. The ribs are the only thing that was great everything else was meh. It was disappointing to say the least. [View all feedback](#).
