no food! order food at 6:47 with a delivery time of 1 hour. I could see that the driver was there, but that was not ready to eat. at 20:05 a.m. I called the load and they said they would check it. suddenly at 20:10 he had the dinner. the load never came back to talk to me with an updat and at 8:30 I had been loading for 25 minutes and eating after almost 2 hours. \$94 bill for departure and terrible service. ikea [View all feedback](#).
