What **User** likes about Hot Head Burritos: Me? ve had hot head burritos everywhere, but this location was friendly and the food was fresh and tasty, best food I? ve had in years, way to go manager! Move to the staff! They could taste the lime pressed on the rice, it was only fresh and delicious. I had a Hawaiian, the beautiful pineapple was wonderful! [View all feedback](#). What **User** doesn't like about Hot Head Burritos: We came a few minutes before closing thanks to traffic, and the female employee did not want to help us. The male employee took over and made our food. The Taco meat was not released after cooking, so there was a lot of fat that ran out everywhere. Hopefully, the other locations are better than this Corporate Test Store [View all feedback](#).
