First time visiting. Think of it as an old style deli/butcher. There is a counter with cheese, another with meat and fresh corn tortillas. Then you go to the register and can pick up pico and chili sauces. Take it home and lay out the taco bar. I got the Carnitas and some Oaxaca cheese and chili de arbol. Absolutely delicious! Spot on Beef Barbacoa and home made tortillas right there in front of you. Best takeout Mexican around Charlotte. Prices are really low!! \$1.39 for a soda 20 Oz.! Big selection and sold by the pound. Chicken was great too. Several different choices for meat sold (Meat and chicken) Highly recommended!!! [View all feedback](#).
