Love this place. Been going since I was a little girl.. now I have a family of my own and it's their favorite as well. Service is always great as well as food. Used it for my wedding catering as well. They never disappoint. They are family. [View all feedback](#). What [User](#) doesn't like about Desperados Mexican Dos:

We waited 50 minutes while other parties our size walk in and were seated immediately. The receptionist and one of the waiters explained they were washing a table and would come over to us and 15 minutes later still nothing. The nice manager spoke to us after we walked our car but we weren't interested in the bad service.
