I ordered the receipt. the service was great and the job was quickly prepared. I have ridden the double cheeseburger with speck and seasoned. the burger was absolutely delicious! the best burger I've ever had. fries were also really good. if I'm in town next time, there's no question where I get my food. food: 5/5 [View all feedback](#). What [User](#) doesn't like about Denny's:

our experience here at denny's was different, we felt too fast to order. breakfast was good, our waitress marie did not put much attention on our table, we had to ask 2 different waiters on coffee creamers and ranch. 10 minutes when eating our breakfast she quickly got us our reception and wait not until we had finished eating, seemed rude.
