My cousin and I would make this place part of our routine. What's not to like? Black Swan yoga, nice and clean restroom, community board, artwork, bike path and great people working there. Whether I'm in Austin or Houston, it's just awesome. [View all feedback](#). What [User](#) doesn't like about Juiceland The Heights:

My daughter and I stopped here at the start of summer because we live smoothies. We like to try as many smoothie spots as possible. So we saw this one and decided to try it out. I can't remember what we ordered but I just remember mine tasting like grass when I got to the bottom. I didn't enjoy that. The shop itself was ok but I won't be doing here again. There are plenty smoothie shops that taste better. [View all feedback](#).
