AWESOME Service, AWESOME FOOD and great sounds from Mana, Shakira, Soda Stereo in the background!

Coming for years and eating is always great! Tried the La Palapa packaging and what a great combination of ingredients! I did it! Carnitas! Great. We all enjoyed!! [View all feedback](#). What [User](#) doesn't like about La Palapa: Eff this place. Have a reservation and they try to put us at the bar in front of the band super loud and terrible. We wanted to be moved and they said it was super long. We left and they reported us as NO SHOW! Average food. Fuck her. [View all feedback](#).
