What [User](#) doesn't like about Kyung Sung: two simple appetizers to go. was said 10 minutes, it would be in the order at 11:09 ten minutes later like when I was told. to say that they are early. it must not take a few minutes. we will wait 30 minutes later after waiting my two appetizers are ready now. here is a constructive critique welcome customers kindly not rude. in addition, they give a more acute timeline instead of their customers waiting.
