What [User](#) doesn't like about *McDonald's*: I ordered two quarter pounders and when I came to the restaurant, there was *only one* in the bag. unfortunately I had to be back at work and could not be back for my other. if I order in the cash register cannot understand or speak English and must always ask the manager about everything. eating is always mcdonalds quality and eating comes out in the rule directly. I'm just eating here because it's comfortable. [View all feedback](#).
