The wings are soooo good, only surpassed by the service of J.J. behind the bar. Food is great, the prices are great, the service is even better, and the locals are some of the most beautiful I met in all my trips. Definitely try to stop if you can! [View all feedback](#). What [User](#) doesn't like about Sports Page:

I have to say that the food was reasonably expensive and it was okay. I guess it met my needs, but nothing too exciting. The server was great! I would come back, only for the personable to earth type of service I received here. Maybe you'll come back for a beer. [View all feedback](#).
