for the first time ate here and was thrilled by my creamy spicy vegan ramen and the impossible gyoza. I had lunch with an all over, whose nudes looked completely different than mine, so I found that soothing. [View all feedback](#). What [User](#) doesn't like about Jinya Ramen:

I had Jinya-Ramen in vancouver, bc bellevue, wa! I always enjoyed my smoking and shaved about it. after reading the review that the rug may contain eier, however, is to say the least. I'll ask myself next time if my family eats here. [View all feedback](#).
