The menu of Big Famous Deli Grocery from New York includes 17 dishes. On average, dishes or drinks on [the menu](#) cost about \$8.0. The categories can be viewed on the menu below. What [Sharron D](#) doesn't like about Big Famous Deli Grocery:

There was like 3 cubes of lamb in the gyros. Halal Lamb Gyro in Pita is pretty expensive for a sampling of Lamb. I would rather get my Gyros from Super Gyro where you actually get meat, they packag your food in prop hot bags, and I can get a lamb gyro platter with a soda for less then one sad gyro from Halal Lamb Gyro in Pita [View all feedback](#).
