What [Stellar](#) likes about Cafe Renaissance:

LOVE this place, they prepare the food professionally, and the service was great! Pricy but worth it! Compliments to the chef. (This is a DIARY restaurant, there's no meat served here) but they really should consider adding it to the menu! [View all feedback](#). What [Antonetta Prosacco](#) doesn't like about Cafe

Renaissance:

Pros: Very prompt service and good atmosphere. Cons: My waiter was rude and impatient with explaining the food to me. The food was not the greatest and did not justify the cost (the appetizer focaccia bread was stale, the cheese on my [pizza](#) was well over cooked, and the potato of the day did not look like what was on the menu).
