What **User** likes about Noodles Company: Eating is always incredible. Tons of options and adjustments to everything in the menu. I die and love the zucchini noodles as a substitute for pasta. During my first visit here the staff was very helpful and patient to help me choose a few topping replacements at a guest. The reward program is also good. I eat here for lunch when I work in the area now! [View all feedback](#). What **User** doesn't like about Noodles Company: It won't come back. The last couple of times we have ordered from here was everything we have got, inexplicably spicy, even on dishes that are supposed to be sweet. Also very dry or little sauce.
