Stopped in today and had a delicious bread delicate and cold beer. When we were gone, people were waiting for a place to sit. Always a good sign of a local favorite. [View all feedback](#). What [Richard M](#) doesn't like about State Street Grill:
The food is good and the portions are small. Service was ok and could be better if they had more help. Ambiance..Basically just another bar like many with a smokers shed on the back. [View all feedback](#).
