Excellent vibes and super attentive service. The menu was delicious and delicious. Will certainly recommend this place to others. Appropriate prices and large portions. Good work. [View all feedback](#). What [Jay J](#) doesn't like about Han Joo:

It's pretty bad. Overpriced and meat portion is small. The food tastes bad. They serves a lot of side dishes, but something lacking on flavor. The worst Soft Tofu Soup, I ever had in my life. They charge \$8 for a small beer, it's not Manhattan. It will be out of business soon. I don't recommend this place at all cost! [View all feedback](#).
