Great little find. We popped in for a cooling drink and ended up sitting there, happily entertaining ourselves without the need to camber for our mobile devices! Cozy and welcoming restaurant bar with a very homely feel about it. [View all feedback](#). What [Ross Zuluaga](#) doesn't like about Royal:

Service was awful!! . The hostess was in a very bad attitude when we came in. It took very long for a person to go to our table to explain us how it works with QR code and when it happened in the middle of our conversation he/she (the same hostess turn around and let us talking to ourselves. The only friendly part of the staff are the runners . Very attentive and profesional attitude all the time . Food is good but n... [View all feedback](#).
