Best authentic [Mexican](#) food in Tulsa hands down! There can be a long wait at times because everything is freshly made but trust me its definitely worth the wait. There isn't one thing on the menu that I wouldn't recommend because everything is so tasty! They also have fresh Mexican waters horchata (rice water), melon water, & pine apple [View all feedback](#). What [Giovanna O'Hara](#) doesn't like about Los Unicos: best authentic Mexican cuisine in tulsa hands down! there can be a long wait time to time because everything is freshened, but trust me in every case that is worth waiting. there is not one thing on the menu that I would not recommend because everything is so delicious! they also have fresh [Mexican](#) water horchata (water), melon water, pinienapfel [View all feedback](#).
