What [Cat](#) likes about Golden Gate:

The owner was friendly and personable, and threw in extras for us because we ordered when the restaurant was closed and had to wait (closed 3-5 daily). The only thing slightly lacking was some flavor in the lo mein, but the kung pao beef was excellent and the serving sizes were really large. [View all feedback](#).

What [Ole Homenick](#) doesn't like about Golden Gate:

Tried because of good reviews and was nearby. This is the most expensive Chinese restaurant I've ever seen. \$17 for sesame chicken?!? And then it comes out like this (See pic). What kind of sesame chicken is that? The chicken quality itself was good. The fried rice tasted like tobacco, coffee beans, and burnt popcorn. [View all feedback](#).
