What [Scott Baker](#) likes about Erick's Enchiladas:

Not a sit down place but a place to get great food. Enchiladas, salsa and chips are outstanding. Don't show up looking to sit down and eat, its a room full of freezers that containing awesome food. [View all feedback](#). What

[Newell Robel](#) doesn't like about Erick's Enchiladas:

A family favorite. I am from western Nebraska originally. That area has a huge Hispanic population and some of the best [Mexican](#) restaurants around. I am extremely picky about [Mexican](#) food. Eric's enchiladas taste authentic and are a family favorite. We love the beef and the cheese ones. We always get them from the farmers market and when we do, we consider it a real treat.
