What [Carson Day \(The Truth Be Told\)](#) likes about Arby's: I had the 4 for \$10 Classic Roast Beef meal with curly fries and a drink. The food was absolutely amazing, and I would like to say thank you to Brandon. He was very helpful and he should get a reward for how helpful he was. One thing, though, the bathroom was not very clean (not disgusting, but it could have been cleaner). Overall, I had a great experience! [View all feedback](#). What [Timothy Burkhalter](#) doesn't like about Arby's: Rating has nothing to do with Arby's, everything with delivery, drink watered down, food cold, ordered at 4:32, order picked up by 4:50, delivered at 6:25, watched him go all over for over an hr, when pulled up had passenger with dropped food in yard, grub hub needs better drivers, last time was awesome this time was awful...
