Very cool place to check out for cheese. Staff was super friendly and the selection was fantastic. Of course we had to buy some curds and can't wait to taste them. Very much appreciated the tasting samples as well. It certainly helps you get a feel of what you're buying. Worth a stop recommend! [View all feedback](#). What [Antone Cruickshank](#) doesn't like about Wisconsin Cheese Mart:

Google shopping brought me to where I tried to order. but it always wanted to be sent. So I contacted them both on facebook and in email. both said I have to spend \$49.00 in the purchases before I can get the free shipping... [View all feedback](#).
