Went for lunch today. We happened to be at the tail end of the rush. It took a long time for food but it was a nice day outside to wait. The front door is on the left side of the building - a little hard to find for first timers. The burgers are tasty. The fries are tasty. The kids liked the hot dogs. We will be back again but will try and pick a different time as to avoid the rush. Fresh tasty food. [View all feedback](#).
