My first visit here. I was treated by a friend for my birthday (late due to friend being on a cruise). She had been here often suggested her fav which we both got. Food was hot delicious. The shrimp in the dish were slightly overcooked but overall a GREAT meal! [View all feedback](#). What [Manley Borer](#) doesn't like about Azteca:

Terrible! We got the chicken chimichanga and pollo fundido. One of these said it included grilled chicken. However, the chicken was cubed and had been boiled. No flavor, bland and quality was subpar. There are so many better places around then this place. Stay away! [View all feedback](#).
