Great food great walk up drive thru service with a short wait in line. My favorite to eat here is the blackened salmon meal with sweet tea. 10 shrimp on the side if a little extra hungry baked potato. [View all feedback](#). What [S](#) doesn't like about Captain D's :

Fries improved. Slaw just as bad as always. It's like eating center of a cabbage head, hard. Fish very good. Stopped ordering chicken. It's always chewy, short and tasteless. [View all feedback](#).
