Food is amazing at a fantastic price. Wait times are a little long, but they are extremely well served portions that will have you taking it home and enjoying it throughout the day. 9/10 due to wait time since food it is made to order (expect 20-30 minutes) but definately worth the wait. Food: 5/5 [View all feedback](#). What [Soriana Martino](#) doesn't like about Ali Baba Gyros:

Quality has really fallen lately, and I have visited here for 10 plus years, and it has never been met before or miss the food quality. Examples are the non-grilled gyro meat, seemed somewhat raw; fewer steak frits; Plate size smaller. Nevertheless, nice location, but once really good food no longer really good. Positive, the workers are friendly. [View all feedback](#).
