What [Rex Littel](#) likes about Erb Thai:

Fast service and delicious food. I love having seasonal specialities and a varied menu year. The only thing I have to do is that no egg to make most meals vegan. We were several times and not even something was wrong! I love you to adjust spice levels. I like it hot and my husband really likes it hot! I love tofu or vegetables is an option for most meals, so I can get protein with my meal. [View all feedback](#). What [Lambert Romaguera](#) doesn't like about Erb Thai:

Went to the wealthy street location and picked up Pad Thai and crab cheese bites. Not good, pad thai was bad, the chicken in it was chewy and old. Crab bites were dry and cold. Dont waste your time/money here. [View all feedback](#).
