Fantastic, great food, great service, fun atmosphere and overall just a GREAT time. Had family in town we hadn't seen in close to 2 years I think and it was a great place for all 24 of us to meet. They handled us accurately and as smoothly as a table of two with smiles on their faces. I think it's safe to say even our waitresses had fun tonight at least we know they did when they were at our table! [View all feedback](#). What [Jena Streich](#) doesn't like about Zydeco's Cajun Kitchen:

Overseasoned too salty. It takes a lot for me not to finish my plate, but I simply was unable to do it due to the salt content. I had a pasta dish with fried shrimp, oysters, and a soft shell crab covered in a cream sauce, and everything was just way, way over salted. [View all feedback](#).
