The waitress was quick to connect and take my order. She was very welcoming and made it a great dining experience. I was happy to stop and let the moose cross the road after I left the restaurant that evening. [View all feedback](#). What [Games](#) doesn't like about Denny's:

The morning staff was amazing. The night staff was incredibly rude and extremely slow. Only 3 other booths with people in them and it took over a hour to get our food. Again mornings awesome nights no thank you! [View all feedback](#).
