Delicious! I always get the tenders but I might have to try the sandwich next time. They need to do something about the drive thru though because when they are busy it causes traffic into the road. They no longer sell gizzards here [View all feedback](#). What [Craig Chapman](#) doesn't like about Famous Recipe Fried Chicken:

Ridiculous long drive thru lines. Slowest employees in town. You will wait in the drive thru for close to an hour before they even take your order. Lobby doors are never open anymore so The drive thru line that wraps around the block is the only option for Lee's. Food used to be good but isn't really all that good anymore since they changed alot of their recipes and menu. Would give them 0 stars if I could. [View all feedback](#).
