I really like home plate diner when I'm at work. It is the closest to home cooking I can get when away from home.

Food is always good and you just got to have a piece of the peanut butter pie. My only complaint is they only have yams 2 days a week. More yams please. [View all feedback](#). What [Dusty Osinski](#) doesn't like about Home

Plate Diner:

I called to make them aware of my disappointment, and they young kerl, who told me that he would taste the pages for me next time...it's not funny that their old cook should find because their price has risen and the food quality has definitiw...where not be back!
