First, this place is calculated when you pay with the card. Get cash before you arrive. There is an ATM in walking distance. My wife and I love the tortilla chips. The salsa is slowly spicier, the more you eat. The food is great with a wonderful atmosphere and a fun waiting staff. It looks like there are not many dishes that are hot, but I don't like spicy dishes. We'll be back. I just don't know when. [View all feedback](#).
