Amazingly fresh fish! We loved the salmon nigiri and the tuna was top notch. As sushi experts we love this place!

Only feedback was to put a little less rice on some of the rolls, but once I removed a tad of the rice it was exquisite! [View all feedback](#). What [Charlene C](#) doesn't like about OB Sushi Sushi :

This review is on the tempura and ramen. I was craving some Tempura while in the area. We ordered that and a tonkotsu ramen. Tempura was fresh but it came with regular soy sauce, not tempura sauce : Ramen was not good per the husband. There was zucchini in it and the flavor was subpar. We may try the sushi next time but it was quite empty on a Monday night. The crowd was more like high schoolers. Prices are comparable... [View all feedback](#).
