Stopped for some lunch and was so surprised how good the food was. The staff was also all so friendly and helpful. We come back to eat here or take out pretty often now! [View all feedback](#). What [My Family](#) doesn't like about The Chinese Phoenix Express:

I can not stand to write bad reviews but this is not okay? 60.00 worth of food and only the eggrolls were okay. Over food was eayyy over done veggies and rice was literally mash! The fried rice had spoiled chicken in it. There is no way that they did not know it was spoiled because the smell was to strong. This is not the first time I have had this issue about over done food [View all feedback](#).
