What [Yeray Carrasquillo](#) likes about Culver's: Mushroom and Swiss Butterburger for the win. The line was very long but the kids working really got the orders out quickly. Clean dining area where I saw employees actively cleaning. Prices were average. Employees were friendly. Great stop to have a quick experience away from standard [fast food](#). [View all feedback](#). What [Renée Thierry](#) doesn't like about Culver's:

No soap in men's or women's restrooms, no hand sanitizer, garbage on floor, when informing sales associate she just ignored us and wanted order, she never informed anyone of this serious problem. I can only imagine that everyone has dirty hands and serving the public. Definitely will not stop again. [View all feedback](#).
