Great location..great food..great prices..great Service. Highly recommend. The portions are VERY generous and the wonderful server suggested the Lava Carrot Cake for dessert, and it was delicious! Thanks to the generous portions there will be tasty leftovers later! [View all feedback](#). What [Carlie Kutch](#) doesn't like about Bonefish Grill: I enjoyed everything, except the imperial dip. Which was the main reason I came. The other location serves it as a dip, at this location it's not creamy. Hard to explain, but it had the consistency of dressing/stuffing. The drinks were great! The service was great! I would go back ? [View all feedback](#).
