This place rocked. Had choriqueso and pollo fundido. Tasted great, served quickly, everyone was nice. Ignore the 1-star crybabies and have a good meal at a good price at El Patron. Salsa could have been more spicier and more flavorful, but it's hardly a dealbreaker with so many other great things to try. [View all feedback](#). What [Liz Correa](#) doesn't like about El Patron [Mexican](#) Grill and Cantina:

The service was average the drinks tasted like watered down margaritas, the chimichanga was very tiny, no flavor, flavorless steak the only decent thing was the chorizo and cheese. You live and learn . [View all feedback](#).
