One of the longest, best standing restaurants on the island that have been there since YEARS! and every time we go, they never fail to deliver the best dishes and the best customer service they offer along with some of the oldest recipes that have long been enjoyed by most locals to date. If you're a tourist looking for one of the best local restaurants, this is a stop you don't want to miss. [View all feedback](#). What [Colt Mayer](#) doesn't like about Big City Diner :

Food was good meat was blan. I don't blame the service all on the staff because of covid but they were slow. Probably waited longer for them to ask us if we wanted the check then we actually did to order and sit combined. The menu wasn't really helpful in what something was or had other than the name and it didn't say much. [View all feedback](#).
